**WE OBJECT TO THE PLAN OF ADJUSTMENT AND THE CONFORMATION  
OF THE PLAN OF ADJUSTMNET VOTING BALLOT AND THE PROCESS**

OJECTIONS TO THE NOTICE AND THE PLAN OF ADJUSTMENT AND  
THE CONFIRMATION OF THE PLAN, BECAUSE THEY WERE AFTER  
THE FACT, UNTIMELY, CONTRARY TO THE FACTS AND MISREPRESENT-  
ATION OF THE BANKRUPTCY CODE AND RULES AND HAS NOT BEEN  
PRESENTED IN A GOOD FAITH MANNER.

We /I object to the voting ballot and the process for the following reasons:

- 1) We/I object to the Plan of Adjustment and confirmation to the plan of Adjustment, because the voting ballot is not in compliance with the Official Form 14. Your signature and ballot boxes are on separate pages. See attached copy of

the Official Form and the bankruptcy court receive a copy of this official ballot at the so-called presentation held July 15, 2014

2) We/I object to the plan of adjustment and confirmation to the plan because the material included with the voting packages has some solicitation for a yes votes with letters from Shirley Lightsey a representative of the retiree committee, Donald Taylor president of Detroit retiree, Police and Fire Fighters on the behalf of the board of directors and the Emergency Manager, Kevyn Orr encouraging a Yes vote in violation the Michigan Election Statute 168.485 (See attached a copy of Michigan Election Statute Law 168.485 MEL) that states the language used shall not create no prejudice for or against the issue or proposal.

This doesn't secure or support a process that demonstrates the purity of the election process. The whole process has been fraudulent from the start when the Emergency Manager, Kevyn Orr impersonated an elected official when he filed for the bankruptcy. When the law states only a municipality and elected officials can file for bankruptcy. This violate MEL 168.485

I/We hereby certify that the statements made herein are true and correct to the best of my knowledge and belief, under penalty of perjury and contempt of Court under the laws of the United States of America.

## ADVISORY COMMITTEE NOTES

## 1991 Enactment

The form is derived from former Official Form No. 30. The form has been amended to facilitate the voting of a debtor's shares held in "street name." The form may be

adapted to designate the class in which each ballot is to be tabulated. It is intended that a separate ballot will be provided for each class in which a holder may vote.

## 1997 Amendment

The form has been substantially amended to simplify its format and make it easier to complete correctly.

Directions or blanks for proponent to complete the text of the ballot are in italics and enclosed within brackets. A ballot should include only the applicable language from the alternatives shown on this form and should be adapted to the particular requirements of the case.

If the plan provides for creditors in a class to have the right to reduce their claims so as to qualify for treatment given to creditors whose claims do not exceed a specified amount, the ballot should make provisions for the exercise of that right. See section 1122(b) of the Code.

If debt or equity securities are held in the name of a broker/dealer or nominee, the ballot should require the furnishing of sufficient information to assure that duplicate ballots are not submitted and counted and that ballots submitted by a broker/dealer or nominee reflect the votes of the beneficial holders of such securities. See Rule 3017(e).

In the event that more than one plan of reorganization is to be voted upon, the form of ballot will need to be adapted to permit holders of claims or equity interests (a) to accept or reject each plan being proposed, and (b) to indicate preferences among the competing plans. See section 1129(c) of the Code.
